

A BEAUTIFUL PLACE

By:Je'kob

Hello, Hello out there my friends/
Hello out there my buddies, Hello out there my pals/

Hey, I spit the truth on a dirty mic/
We could heal the world, but we'd rather fight/
We'd rather bicker, we'd rather be/
Animals in search of our humanity/
Where did it go, where has it gone/
Out the window, with one nation under God/
They twist the story, they got it wrong/
I'm here to put the message back up int the song/

Chorus

And the world is such a beautiful place/
I know that we can make it/
And the world is such a wonderful place/
I know that we can make it/

Verse 2

You gotta be content with what you got, cause you might not have it tomorrow/
There's always someone who got less than you, and you don't want to let them borrow/
That's how we is, that's how we live/
And grown or not, we're crazy kids/
In a crazy world, a crazy system/
I'm holding' on to my daddy's wisdom/

Chorus

And the world is such a beautiful place/
I know that we can make it/
And the world is such a wonderful place/
I know that we can make it/

Verse 3

Ok let's make it, let's break it/
The bondage of our greed & lusts, let's shake it let's shake it/
Listen this aint getting' betta, they must not of got my letta/
Let's be gentle like some feathers, instead of sprayin' with baretta's/
Ba, ba barrettes hey/
We aint gotta live this way, we could make a change today/
Get down on your knew & pray, listen to what Jesus say (Jesus say)/
Love your neighbor as you love yourself/
And we were made for so much more I need your help/

Chorus Out 3X

And the world is such a beautiful place/
I know that we can make it/
And the world is such a wonderful place/
I know that we can make it/
