

## **BURN ME OUT**

By:Je'kob

There's nothing else in this world/  
That lights me up like you do/  
There is no one or anything/  
That's of worth compared to you/

There's nothing else in this world/  
That lights me up like you do/  
There is no one or anything/  
That's of worth compared to you/

Chorus

Fire, fire burning/  
Burn me out/  
Fire, fire falling/  
Consume me now/

There's nothing else in this world/  
That lights me up like you do/  
You are the truth, I'm humbled by your majesty/  
And all I want is more of you/

Fire, fire burning/  
Burn me out/  
Fire, fire falling/  
Consume me now/

Sing it with me oh/  
Oh Oh Oh Oh, Oh Oh Oh Oh Oh/  
Burn me out/  
Oh Oh Oh Oh, Oh Oh Oh Oh Oh/  
Burn me out/

Take my life, take my all/  
Take my heart, God it's yours/  
Come burn me, come burn me out/
