

## **FAITH (Featuring Conscience)**

By: Je'kob

Intro

Ohhh, ohh, yea, yea, yea, yea, yea, yea  
Ohhh, oh, yea, yea, yea, yea, yea, yea

Chorus

I, I can do all things/  
Through Christ who strengthens me/  
Through Christ who strengthens me, yea/  
'Cause I got faith, yea. That's all I really need/  
'Cause I got faith, that's all I'll ever need/

Verse 1

Faith is the substance of things hoped for, and the evidence of things unseen/  
But I understand that you cannot comprehend how I can put faith in something I cannot see/  
But think about it, you breath in you breath out, that's air it's no doubt/  
In and out of your mouth you can't see it/  
I trust what He say, He's not in the grave/  
Rose on the third day, best believe it/  
And it might take some time for you to change your mind/  
You might be on your death bed, might be on your last leg/  
And you will ask the question, how did I get here/  
Where am I goin' when my heart stops/  
But you should figure that out way before then/  
'Cause time is your enemy, and death is his friend/  
And you could live your best life, right here right now/  
Fall into the arms of your Father and He'll show you how/

Chorus

I, I can do all things/  
Through Christ who strengthens me/  
Through Christ who strengthens me, yea/  
'Cause I got faith, yea. That's all I really need/  
'Cause I got faith, that's all I'll ever need/

Verse 2

Can you imagine what it must have felt like to walk in the desert for forty years, only on faith/  
Or what about this, if you stepped out that boat, would you sink to the bottom of your early grave/  
Or would you say, Jesus I see you, I'm coming, I'm not gonna' look at the waves/  
They're crashing around me, they all want to drown me but no, not today/  
Everything that lead to this moment right here and right now, is His plan/  
Why would I doubt Him, and why would I cry when I know that my life is in His hands/  
So I will stand, I will not falter, and I won't be moved/  
I'm not the first man to walk in these shoes/  
I'm not the first man to walk down this road/  
Lord I know that You know that I know that/

Chorus

I, I can do all things/  
Through Christ who strengthens me/  
Through Christ who strengthens me, yea/  
'Cause I got faith, yea. That's all I really need/  
'Cause I got faith, that's all I'll ever need/

Verse 3

*Conscience*

Nothing's new under the sun/  
Depending what son you live under, you could be the one/  
That taps into a potential you can't attain pulling on coat tails/  
What you could get for wholesale anyway, on the contraire/  
Momentum swings, like special teams when the King's faith is in the spot/  
Gives a peasant the audacity to dethrone what you watch/  
Sir Robin of Locksley warrior of luxury/  
With a lunch kit of fish and loaves. Trying to feed the whole country/  
Faith/

Chorus 2X

I, I can do all things/  
Through Christ who strengthens me/  
Through Christ who strengthens me, yea/  
'Cause I got faith, yea. That's all I really need/  
'Cause I got faith, that's all I'll ever need/
