

## HOPE FOR US ALL

By:Je'kob

### Verse 1

At times I get my mind wrapped up in all the dumb stuff/  
And I get so mad, oh, oh, oh/  
I see the world & all the things that we are doing/  
To hurt it so bad, oh, oh, oh/  
And people always so consumed with the next big thing coming/  
Don't forget to fuel the fire or it will die/  
We were made to be lights in the world/  
So please keep your light on/  
Please keep your light/

### Chorus

I got hope for us all oh, oh, oh/  
I got hope for us all, oh, oh/

### Verse 2

How do you think you are doing/  
You say your just fine but you are losing/  
You're losing your mind/  
Trying to be someone that you are not supposed to be/  
Trying to do something that you're not supposed to do/  
You know it, oh, oh, oh/  
We were made to be lights in the world/  
So please keep your light on/  
Please keep your light/

### Chorus

I got hope for us all oh, oh, oh/  
I got hope for us all, oh, oh/

### Verse 3

It seems like we're going backwards/  
Man I'm turning on the news & crying/  
I can;t seem to understand what we've done,  
Oh they will erase God from our memories if we don't fight back/  
I don't wanna start no war, but I'm not doing what I'm told/  
If it ain't right with my soul/  
You could take my life cause I am not your slave/  
Lord I know that you are coming back for me/  
Oh, oh, oh, oh I've got hope/  
Though the world might be twistin' & turnin' in sin/  
Seems like nobody's livin' for God/  
Don't be fooled by the foolish, it's easy to lose it/  
don't let no one choose who you are/

### Chorus 2X

I got hope for us all oh, oh, oh/

I got hope for us all, oh, oh/
