

IF I RULED THE WORLD

By:Je'kob

The world keeps spinnin'/
And we keep fightin'/
And we can't find our way out/
And we keep tryin', and we keep dyin'
At times I find my faith doubts/

Why can't we love/
Why can't we find a way, a way/

Chorus

If I ruled the world/
I wouldn't let love slip away/
If i ruled the world/
I wouldn't let hate see the light of day/
If I ruled the world/

Verse 2

And we're not learnin'/
Cause we keep fallin'
Our minds are full of hate now/
He came before us to show us the way/
If can't we'd just turn our heads round/

Why can't we love/
Why can't we find a way, a way/

Chorus

If I ruled the world/
I wouldn't let love slip away/
If i ruled the world/
I wouldn't let hate see the light of day/
If I ruled the world/

Chorus

Hey baby please don't go cause the party just begun/
Hey baby please don't go cause I know you are the one/

Bridge

Oh no, Oh no, Oh no, Oh no

Verse 3

People are dying outside our windows/
But we can't see them cause we got tv on/

Why can't we love/
Why can't we find a way, a way/

Chorus

If I ruled the world/
I wouldn't let love slip away/
If i ruled the world/
I wouldn't let hate see the light of day/
If I ruled the world/
