

## LET GO & LOVE

By:Je'kob

Time keeps slipping away/  
To full of hate to pray/  
And i fear I'm losing my way/  
I child that's gone astray/  
Show me how, lord I really need you now/  
Can you hear me calling out your name/  
Lost at sea will somebody come save me/  
Lord I know your love can save the day/

Chorus

They say we'll always be forever young/  
I know they say it, but time is runnin' out/  
Before we die we must let go and love/  
Cause time keeps slippin' away/

Verse 2

Tired of feeling alone/  
And doubt is my hearts new home/  
And I'm scared to open my heart/  
But will I ever start/  
Show me how, lord I really need you now/  
Can you hear me calling out your name/  
Lost at sea will somebody come save me/  
Lord I know your love can save the day/

Chorus

They say we'll always be forever young/  
I know they say it, but time is runnin' out/  
Before we die we must let go and love/  
Cause time keeps slippin' away/

Verse 3

I want to change/  
Lord make me more like you/  
Love's the only way/  
And your love is here to stay/  
Yeah/

Chorus

They say we'll always be forever young/  
I know they say it, but time is runnin' out/  
Before we die we must let go and love/  
Cause time keeps slippin' away/

They say we'll always be forever young/  
I know they say it, but time is runnin' out/  
Before we die we must let go and love/  
Cause time keeps slippin' away/

They say we'll always be forever young/

I know they say it, but time is runnin' out/  
Before we die we must let go and love/  
Cause time keeps slippin' away/
