

## **LETTING GO (FEAT. JOSH LANE)**

BY: JE'KOB

### ***Verse 1***

I used to be afraid to fall in love, cause I knew that one day I would be forced  
to let her go /  
I knew that we would fall head over heels, & my heart that girl would steal & in  
the end one'd have to watch the other go /  
When we grow old /  
And I don't wanna think about it cause it makes me cry /  
When God decides to take you then I think I'll probably die of heartbreak /  
My friggin heart breaks, thinking bout living without you in my life /  
My wife, my high school sweetheart, my best friend baby..Yeah /  
You know when I'm without you I go crazy /  
If you want it you could have it, life's too short to tell you maybe /  
And I don't wanna ever let go no no no /  
Yeah, so I Wrote this verse as just one way to let you know girl /  
That I'm always gonna love you even after God takes you home & I gotta let  
you go girl /

### ***Chorus***

Life is one big act of letting go  
We live, we love, we die  
But one day there will be no pain  
And there will be no heartache  
We'll live forever

### ***Verse 2***

I used to be afraid to bring a child into this world, thinking bout the pain & all  
the hurt that they gone feel /  
thinking that if somebody hurts my baby boy or baby girl then that's  
somebody that I pray I do not kill /  
And yeah it's that real, I'm praying everyday, I'm down on my knees, beggin' for  
wisdom & for grace /  
Cause all I wanna do is raise my kids to know your name, so they can go & tell  
the world the reason why you came /  
As I'm writing this my son is in my wife's womb, and it's crazy little Maddox  
bout to come soon /  
And I pray to God I'm gonna be a good dad /  
Cause in this world there really ain't enough good dads /  
And yeah I'll probably take it hard when I gotta let you go /  
I'm writin' this verse cause all I want's for you to know /  
Sometimes your mom and dad might act crazy on the low /

But I promise you it's only cause we hate to let you go /  
Know we hate to let you go /

**Chorus**

Life is one big act of letting go  
We live, we love, we die  
But one day there will be no pain  
And there will be no heartache  
We'll live forever

**Verse 3**

Yeah, so what profit has a man from all his labor in which he toils underneath  
the sun /  
Cause we all know as one generation passes away so another generation  
comes /  
So I'm doin' all I can just to save souls /  
And I ain't tryina waste a day man I'm gettin' old /  
And how it changes everything once you really know /  
That life is just one big act of lettin' go lettin' go /

**Chorus**

Life is one big act of letting go  
We live, we love, we die  
But one day there will be no pain  
And there will be no heartache  
We'll live forever
