

## LOVE IS ALL -

By: Jakob

### Chorus

Love is everlasting, Love is only kind/  
Love is always patient, Love will blow your mind/  
If you let it oh, if you let it oh/  
If you let it oh, if you let it oh/

### Verse 1

Go on and give it to em, I'm gonna give it to em/  
Gonna make sure that ya'll know that we can change this place/  
Love is the answer, open your heart/  
Do something for someone and that's a good start/  
Love, Love is all we need/  
We find that we find everything/  
So to republicans and to the democrats/  
I don't care who you are, I don't care where you're at/  
As long as you're breathin' you are my brotha/  
Mi casa su casa, my mamma yo mamma/  
We all two dashes, I call that equal/  
White or brown skinned, ya'll all my people/  
I pray for revolution, I know you wanna rise up/  
And see past the color lines that still divide us/  
And hate wanna try us, and hate wanna fry us/  
But hate can eat my dust/

### Chorus

Love is everlasting, Love is only kind/  
Love is always patient, Love will blow your mind/  
If you let it oh, if you let it oh/  
If you let it oh, if you let it oh/

### Verse 2

Love, Where do I go from here/  
I need something that will wash away my tears/  
I wanna find love, I'm lookin' for love/  
I need to find love, where do they hide love/  
We gotta just love, gotta just care/  
Even when some things in life don't seem fair/  
Never give up, never you quit/  
Never say never and never wont get/  
The best of you, in them hard times you rock and roll/  
And love let it save your soul/  
The best of you, in them hard times you rock and roll/  
And love let it save your soul boy/

### Chorus

Love is everlasting, Love is only kind/  
Love is always patient, Love will blow your mind/  
If you let it oh, if you let it oh/  
If you let it oh, if you let it oh/

### Verse 3

So how do we escape from inside this prison/  
Build your relation, kill your religion/  
There's 38,000 versions of Christian/  
Twistin' the word to fit how they are livin'  
Heaven help us, live like we're saved/  
In one hand the truth in the other the grave/  
One hand is free, and the other's a slave/  
Love is the key to lock hate in the cage/

Chorus 2X

Love is everlasting, Love is only kind/  
Love is always patient, Love will blow your mind/  
If you let it oh, if you let it oh/  
If you let it oh, if you let it oh/
