

## NEVER BE THE SAME (FEAT. REL PAUL)

Yuh, Good morning', Good evening'. That's for the folks overseas Uh Yeah.

Chorus -

And he saved my life, yeah he came into my heart/  
(That old me's is gone, man forget about em. He's shut up in my bones now I can't live without Him.)  
And He changed my world, I will never be the same again/  
(That old me's gone, man forget about, that old me's gone, that, that, that old me's gone.)

Verse 1 -

Hey, that old me's gone, Vamoose/  
I'm done exchangein' white lies, for the pure truth/  
And I aint got it all figured out/  
I meditate on Christ before the words hit my mouth uh/  
And he's shut up in my bones, burnin' hot/  
Temporary things for pocketless souls so take the yacht/  
Take the car, take the chain, anything that's in my name/  
I'm tryina be more like James & resist the Devil/  
Not that money's evil, but Love of money's evil/  
And it's hard to stack money without lovin' money people/  
That's real talk, & this real walk, I'm tryina be a souljah/  
Tryina get my trapper keeper on & organize my folders/  
Cause back in the days when I was young, I'm not a kid anymore/  
But someday I sit & wish I was a kid again/  
And I thank you for my family & my friends/  
The ones that's gonna ride with me to the very end/

Chorus -

And he saved my life, yeah he came into my heart/  
(That old me's is gone, man forget about em. He's shut up in my bones now I can't live without Him.)  
And He changed my world, I will never be the same again/  
(That old me's gone, man forget about, that old me's gone, that, that, that old me's gone.)

Verse 2 -

Yeah, it's been a long long time/  
They tried to knock me off the Rock but I still climb/  
And life I'm lovin' it, can't get enough of it/  
I live for Christ, He died for me & took the sufferin'/  
Hey, & you know I tell no lie/  
I only speak the truth cross my heart & hope to die/  
There's so much pain in the world/  
I believe that we can be that change in the world, Yeah/  
At least that's what my homie told me when he was 15/  
Zach Hunter God is with you dog you got dreams/  
The world lost it, we got older/  
And bought a jacket for ourselves when it got colder/  
And this the mess we made, we gotta clean it up/  
I'm tryina tell ya the truth before they beam me up/  
Scotty, are we on the right airwaves/  
Is this transmission reachin' China up to LA?/

Chorus -

And he saved my life, yeah he came into my heart/  
(That old me's is gone, man forget about em. He's shut up in my bones now I can't live without Him.)  
And He changed my world, I will never be the same again/  
(That old me's gone, man forget about, that old me's gone, that, that, that old me's gone.)

Verse 3 - (Rel Paul)

Yeah, these dudes aint straight they *italicized*/  
And my faith is bold, Underlined/  
He hit the tab on my life, moved it to the right/  
I hit the spacebar, distant from that night life/  
Ha, they say that cheaters never win/  
But I cheated death when I was freed from sin yeah/  
And If ya'll don't know what I'm talkin' about/  
Jesus Christ saves with no bank account, uh/
