

The Test

By:Je'kob

Chorus

Tomorrows sun will rise in the east/
And it will set in the west/
And we will know who we are/
When we are put to the test/

When we are put to the test/
When we are put to the test/
When we are put to the test/
When we are put to the test/

Verse 1

Yeah yeah I wake up & I walk outta my door people are loco/
My halo gets twisted & my sin's got a good chokehold/
But your word keeps me in line, and I pray you renew my mind/
Cause I know light that do not shine, aint light at all/
So all day I will pray, if a test should come my way/
That you give me words to say/
So I could walk through the fire without gettin' burned/
Tested & tried, I don't wanna fail when I'm tested and tried/
I don't wanna die when I'm so alive/
I don't wanna deny your name/

Chorus

Tomorrows sun will rise in the east/
And it will set in the west/
And we will know who we are/
When we are put to the test/

When we are put to the test/
When we are put to the test/
When we are put to the test/
When we are put to the test/

Verse 2

Yo, Lord I can't wait to see where you're takin' me/
Cause I'm so far from home, been on this road for oh so long/
And I been tryin' to paint the scene, waiting' patiently/
And I been fightin' lions and these devils and these giants all day/
Can't wait till the mornin', maybe that I'd undersand/
How joy comes in the mornin' when I'm mornin' like the AM/
And the day before tomorrow is another way to say today/
So today I think I'll pray, I know your love will never fade away Hey/

Chorus Out

Tomorrows sun will rise in the east/
And it will set in the west/
And we will know who we are/
When we are put to the test/

When we are put to the test/
When we are put to the test/
When we are put to the test/
When we are put to the test/
