

WALKING ON A DREAM (WITH EMPIRE OF THE SUN)

Fate I believe it, me & you were meant to be/
That's perfect chemistry, I'm the land, you're the sea/
Our love is infinite, like the ring around your finger/
Your lips got me singin', never thought I'd be a singer!

Chorus -

We are always runnin' for the thrill of it, thrill of it/
Always pushing up the hill, searching for the thrill of it/
On & on & on we are calling out & out again/
Never looking down, I'm just in awe of what's in front of me!

Is it real Love? Two people become one/
I can feel it, two people become one/

Verse 2 -

And she is like the sunshine/
Here eyes are like the stars/
There's magic in that smile girl/
Your looks could start a war/
And that's real talk, And one kiss could make my heart stop/
You don't need no dress & high heels, your so fine in tees & flip flops/
And I'm not gonna break you down, I'll build you up, & lift you up/
And God's love is in both of us, so we could fill each other's cups/

Bridge -

Catch me I'm fallin'/
Girl for you I'm callin'/

Don't stop, just keep goin' on/
I'm your, shoulder lean upon/
So come on, deliver from inside/
All we got is tonight, that is right till first light/

Chorus -

We are always runnin' for the thrill of it, thrill of it/
Always pushing up the hill, searching for the thrill of it/
On & on & on we are calling out & out again/
Never looking down, I'm just in awe of what's in front of me!

Is it real Love? Two people become one/
I can feel it, two people become one/
